

2010 Wedding Services and Price List

T. Sheppard Photography and *Maija Photography* have joined together to provide you a classic mix of formal, candid and photojournalist style pictures. We provide wonderful service with excellent prices. One feature that is unique to us is that you will usually get two photographers (unless notified or because of illness or extenuating circumstances). This means you will get two different styles of pictures, as well as more coverage of your special day, because together we can capture twice as much. No matter how simple or how elaborate your wedding is, we have a package to fit your needs:

***The Gold Package*\$999.00**

This package is perfect for the couple who's looking for great photography, but doesn't need all the extras that come with a traditional photography package.

Included in this package is:

- ½ hour of Bride and Groom getting ready**
- 2 hour Post or Pre Formal Shoot**
- Ceremony Coverage**
- No Reception Coverage**
- Digital Negatives on CD**
- Package of 10 8x10 archival prints**
- 5-8 minute basic DVD**

Unlike many photographers, we never limit the number of photos included in your package. We take every opportunity and every picture we possibly can to make sure we can tell the entire story of your wedding.

Our packages are designed to be flexible, with additions and add-ons for your customized needs.

Engagement session	\$ 50.00
Deluxe DVD Add-on	\$200.00
